CONTRACTING AUTHORITY:

CONTRACTOR:

Skierski Sp. z o.o. Sp. Komandytowa, ul. Warszawska 1D, 96-100 Skierniewice

project:

subject:

part / stage:

Date:

Acceptance committee of the Contracting Authority:

Contractor's Representative:

At the Contractor's request notified to the Contracting Authority in due time, the Contracting Authority's Acceptance Committee and the Contractor's Representative carried out a partial/final acceptance of the Subject of the Contract.

1. The Contracting authority declares that the person appointed to carry out the acceptance has the necessary authorisations and knowledge to carry it out effectively and therefore the above cannot constitute grounds for questioning the effectiveness of the acceptance so carried out.:
 - a. The Contracting authority hereby accepts the work in terms of quantity and quality.
 - b. The Contracting authority declares that the completed works are in conformity/non-conformity with the content of the Contract and the documentation and any other appendices;
 - c. Works were/are not completed on time, the final deadline was exceeded by

d. The construction site has been tidied up: yes / no

2. The Commission's objections and comments:

Ref. 1 Significant defects have been identified during the acceptance of the works (which ones / deadline for rectification of defects):

Ref. 2 During the acceptance of the works, non-substantial defects/defects not affecting the acceptance were found/not found (indicate arrangements for removal or waiver of their removal):

The discovery of insignificant defects or faults during acceptance shall not constitute grounds for refusal of acceptance.

Ad 3. In the event of a delay in the execution of the Contract, state the reasons (what / dependent on whom / amount of penalty):

Ad. 4 Method and date of clean up the worksite:

The completed works are hereby found to be in **conformity/non-conformity** with the subject matter of the Contract and are hereby accepted by the Contracting Authority.

The signing of this protocol shall at the same time constitute a statement of acceptance of the quantity and quality of any works to be covered, additional works and substitute works commissioned during the execution of the Contract.

The protocol is the basis for invoicing and receiving payment in full under the Contract and any additional, replacement works, without any deductions.

*In the event of a refusal to accept the works and the signing of this protocol other than as set out in Ad. 1, the Contractor shall be entitled to invoice and be paid.
